## Summer Food Service Program (SFSP) at Englishton Park Summer Camp

The Englishton Park Summer Camp located in Lexington, Indiana, will open its doors on Sunday, June 13, for the 53<sup>rd</sup> summer of operation. This therapeutic program operates three 10-day sessions: June 13 – June 22; June 27 – July 6; and July 11 – July 20. The program serves children ages 8 to 12.

Children enrolled in this program are eligible for meals through the Summer Food Service Program for Children (SFSP). The SFSP was created to serve nutritious meals to children when National School Lunch and School Breakfast meals are not available. To ensure all children receive proper nutrition throughout the year, SFSP reimburses organizations that prepare and serve meals to eligible children during the summer and school vacation periods.

Parents/guardians who are interested in a child attending Englishton Park Summer Camp will be asked to complete an application to check eligibility for this program. All children attending camp will receive three meals a day (breakfast, lunch, and supper) and an evening snack.
